

The Great Gatsby Anticipation Guide

For each statement, tell whether you “agree” or “disagree”

Money can help us make people fall in love with us

Adultery is always wrong.

True love is a myth.

Moving between different classes of people is not difficult.

It is part of the American Dream to acquire wealth and social status.

We can achieve our ideals of perfection.

People will love you if they think you are wealthy.

Being socially connected gets you further than money does in today's society

It's best to forget about the past as much as you can

People with money are typically happier than people without money

It is acceptable to marry people for their money

Choose a statement that you **agreed** with and write a statement about it.

Choose a statement that you **disagreed** with and write a statement about it.
