

Gatsby So Far...

Since we're halfway through the novel, let's get your quick take on the items below.

1. After reading and watching Chapter 5, what do you think will happen with Gatsby and Daisy?
2. Go to my website (Lmwebb.weebly.com). Click on "Nonfiction Articles" and select the first link that says "What Kind of Car Would Gatsby Drive?" After reading the article, what kind of car would Gatsby choose to drive today in 2022 (it doesn't have to be from the list)? What color would it be? Why?
3. Go to my website (Lmwebb.weebly.com). Click on "The Bees Knees" and select "The Real Gatsby Cover." After studying the picture (and perhaps your book cover), tell me what you see. What are some things that are symbolic? Why do you think Fitzgerald chose eyes to feature in his work and on his cover so much?
