*«Il niente mediano sull'antico mondo sconosciuto, pensò  
allo stupore di Gatsby la prima volta che intralciò la luce verde  
all'estremità del molo di Daisy. Aveva fatto molta strada per giungere  
a questo punto azzurro e il suo sogno doveva essergli sembrato  
così vicino da non poter più sfuggire.»*

"This is the valley of ashes - a fantastic farm where ashes grow like wheat into ridges and hills and grotesque gardens; where ashes take the forms of houses and chimneys and rising smoke and, finally, with a transcendent effort of men who move dimly and already crumbling through the powdery air."
