

We Can Get Them For You Wholesale - Advertisement

Peter Pinter was lucky to find the firm to take care of his “problem.” There wasn’t even an advertisement for them! Please design an ad for the company “Ketch, Hare, Burke, and Ketch.” The advertisement should be pleasing to look at with a catchy headline and company information. Be sure to include the firm name and phone number. I will grade this assignment on creativity and the ability to follow directions.
