

ENGLISH III Honors

What to know about your project:

- You must turn in your research page, a slides presentation, paper, and a works cited page from Google Docs. This will be done through Google Classroom.
- Your works cited page will appear in a Google doc **AND** at the end of your slides presentation.
- Your paper must be 600-700 words done in MLA format (double-spaced, Times New Roman, 12 pt). You must have at least one in-text citation. It should go beyond the information in your presentation. It may include some of the information that is in your presentation, but take a broader look at the topic.
