

# “We Can Get Them For You Wholesale” by Neil Gaiman

## **Before you read:**

Why do you think people have trouble turning down a bargain, even when they don't need the product?

---

---

---

Do you enjoy a good bargain? Why or why not?

---

---

## **During/After Reading:**

Who is our main character?

What kind of company is he looking for?

What is the name of the company that he contacts?

What heading does he find the company under in the Yellow Pages?

Who is he engaged to?

Who is his romantic rival?

Where does the representative from the company agree to meet him?

How long did he wait for the operative?

Where does the main character work?

What will happen if he kills off 14.1 million?

**After Reading:**

Is the main character a bad guy? Why or why not?
